Scripture Reading Together: 1 Corinthians 10:1-11

Opening remarks...

1. Why is it so important to read all of Scripture, including the Old Testament?
2. What obstacles (Giants) are you facing today that make it hard not to grumble? (At home, at work, church?)
3. In what ways did grumbling represent a lack or absence of Faith in God in Num. 14? How does our grumbling (think of Question two) correspond to our own lack of faith today?
- 4. How does Jesus make a way to put grumbling to death? (1 Corin. 10:12) How do we break the cycle of grumbling - what can we replace it with?**

8:20pm Prayer (**close group session**) and get into breakout time (**guys and gals separate**)

Wrap up 8:50ish
