Praise through song

Scripture Reading Together: Acts 8:8-24

Opening remarks...

1. Jesus' Church is an international assembly (**Every Tribe, Tongue and Nation**). Are you excited about the opportunities to worship with every People God brings here and for eternity? (recall John's change of heart, and the opportunity for Jews and Samaritans to see God's Salvation & the Holy Spirit in one another, **Acts 8:14-17**)
2. Luke is explicit that the Holy Spirit is a Divine person (**read Acts 8:15-16**). Why is it important that we use the pronouns God gives us for Himself (or what error does it help us avoid)? Recall Simon's error.
3. What is the only thing we can truly own before God (**read Acts 8:22**). Why must we both own it and turn from it?
4. We are ransomed **to** something and someone (**read Rev 5:9-10**) not just **from** something (**read Psalm 49:13-15**). Why is this so important? Are we excited about it?

8:20pm Prayer (**close group session**) and get into breakout time (**guys and gals separate**)

Wrap up 8:50ish
