Scripture Reading Together: Acts 11:27-30

Opening remarks...

1. In Acts, we see the early church giving to those in need (see Acts 2:42-47 and Acts 4:34). What motivates the church to do this?

2. How do we guard against being legalistic in our tithes and offerings?

3. How does God use Agabus in the Church at Antioch?

4. As the Church shows generosity to one another, it becomes a beacon of light to those around. Do you believe this is true? Why or why not?

5. Practically, how can we as a church or small group give cheerfully to those in need? Are there families in need? Individuals? Missions?

8:20pm Prayer (**close group session**) and get into breakout time (**guys and gals separate**)
