

***Before Small Group read Acts 16***

Fellowship time 7:00-7:30

Open in Prayer

Praise through song

Scripture Reading Together: Acts 16:25-34, Romans 15:8-13

Opening remarks...

1. Is *singing praises to God* more or less important than you thought previously? Why?

2. If singing is a spiritual exercise, why is it so important to be Spirit-filled (Eph 5:19)? And how does that enable us to 'fight' Satan by song!?

3. Both the Biblical and secular definition of a 'hymn' is singing praise to God. Why have we as the modern church drawn such hard lines in the sand when biblically no distinction exists? How could this help us be less divisive?

4. If singing is a spiritual litmus test, where are you in your walk with God? What would be a good way to revive the affections of your heart for Jesus and His mission?

8:20pm Prayer (**close group session**) and get into breakout time (**guys and gals separate**)

Wrap up 8:50ish
