Scripture Reading Together - 1 Peter 2:11-12

Why is it important for us to abstain from the passions of the flesh while in exile? And what is the first step in abstaining from these passions? (Colossians 3:5, Galatians 5:24)

Practically, what does it look like to keep our conduct honourable - or not to be “cringe Christians”? (1 Peter 3:16)

In what ways does the world accuse Christians of being evildoers? What should our response be to these accusations?

“We are called to do good stuff!!! And these good deeds are supposed to be visible” How can we do “good deeds” in our community? And what’s the point of doing them? (Matthew 5:16)
