Scripture Reading Together - 1 Peter 3:1-7

“Wives in submitting to their husbands ought to support, respect, and follow them as to the Lord” - Kevin DeYoung.

What are practical everyday ways the wife is to be subject to her husband?

Read 1 Peter 2:12 & 1 Peter 3:16. Why is our conduct important for our gospel witness? How might the conduct of the wife win over her husband?

Read 1 Timothy 2:9 & 1 Peter 3:3-4 again. How do these verses apply to women today? What is Peter’s concern in verses 3-4?

What is the imperishable beauty Peter refers to in verse 4? What is a gentle and quiet spirit/ what isn’t it?

What are practical ways the husband can live in an understanding way with his wife?

What does it mean to honour the woman as the weaker vessel?

How does the gospel bring women to the same level as men? (See verse 7b)

What is the result of a husband who does not live with his wife in an understandable way?
